WORK EXPERIENCE

Jane Street, London UK; New York, NY

Software Engineering Intern Feb 2016 – Apr 2016

- OCaml, Mercurial, Unix

Facebook, Menlo Park, CA

Software Engineering Intern Jul 2015 – Oct 2015

- Android efficiency & reliability team; Java, Python, Mercurial, Git, Unix

Software Engineering Intern Jul 2014 – Sep 2014

- Web speed team; PHP, JS, SQL, Mercurial, Unix

Other

Technical assistant on the Faculty of Electrical Engineering and Computing Oct 2012 – Apr 2015

- Courses: *Mathematics, Electronics, Algorithms and Data Structures, Digital Logics*

Problem author and instructor for programming competitions Sep 2012 – Apr 2015

- Problem author for National Competitions in Informatics (*Infokup*) for primary school
- Head instructor of *XV Gymnasium* senior team for programming competitions
- Instructor at Computer Science camp courses: *Basic and Advanced Algorithms, Web Development*

EDUCATION

University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Pursuing MSc in Computer Science Oct 2015 – Jul 2017

- GPA: 5.0
- relevant courses: *Machine Learning, Deep Learning, Analysis of Massive Datasets*

BSc in Computer Science Oct 2012 – Jul 2015

- GPA: 5.0

COMPETITIONS

Artificial Intelligence Battleground (*AIBG*) Dec 2016

- 2nd place / 16 teams

ICPC Central Europe Regional Contest (*CERC*) 2013; 2014; 2015; 2016

- 20th place / 72 teams; 9th place / 79 teams; 23rd place / 62 teams; 19th place / 70 teams

International Olympiad in Informatics (*IOI*) Sep 2012

- Silver medal

Central-European Olympiad in Informatics (*CEOI*) Jul 2012

- Silver medal

Croatian National Competition (*DMIH*) 2007 – 2011

- First place: 2007, 2008, 2009, 2011; Second place: 2010

AWARDS

Top student dean's award (Josip Lončar award) 2013; 2014; 2015

- First and second year undergraduate; Special award for the whole Bachelor's program

TECHNICAL SKILLS

Intermediate	<ul style="list-style-type: none">• Algorithms and problem solving – programming competitions• C/C++ – programming competitions, personal and university projects• Java – Facebook, university course, university projects
Basic	<ul style="list-style-type: none">• OCaml – Jane Street• Python, PHP, JS, SQL – Facebook, personal and university projects• Haskell – university course• Bash, Unix, Git, Mercurial, LaTeX – various personal, university and company projects

OTHER SKILLS AND INTERESTS

Languages	Croatian (native), English (fluent)
Interests	Choir Singing, Music, Traveling, Biking, Hiking, Swimming
